An Evening of Bayou Bites & Big Smiles

Friends & Family Night in February brings the spirit of Mardi Gras to life with a joyful social hour from 4–5 PM, followed by dinner from 5–7 PM.

The space is transformed with rich purple, golden yellow, and vibrant green décor, complete with festive masks and beads that set the tone for a lively evening.

Guests are welcome to mingle and reconnect while enjoying a refreshing Bayou Breeze cocktail or a Purple Carnival Fizz mocktail as laughter and conversation fill the room. The celebration continues with a New Orleans–inspired menu featuring chicken and sausage gumbo served over rice, tomato succotash, and a sweet finish with classic beignets. It's a warm, festive night designed to bring friends and family together in true Mardi Gras style.
