ALOHA, SUMMER!

Join us for a festive Family Night Luau as residents, families, and friends come together for one last taste of summer! Enjoy tropical food, island music, fun games, and plenty of laughter as we celebrate the season and make one more special memory together.

Enjoy a delicious family-style Hawaiian dinner featuring coconut shrimp, Hawaiian sliders, pulled pork, baked fish, roasted vegetables, coconut rice, and pineapple salsa, followed by tropical desserts and drinks.

The fun continues with lei making, luau games, hula dancing, island music, and a tropical photo booth!

Great food. Great company. One last taste of summer—aloha style!
